WAIVED EXAMINATION

Eli Hutchinson Remanded to Jail
Without Bond for Murder.

Trial Set for This Afternoon, But Not
Entered into by the Court.

The preliminary trial of Eli Hutchinson, the man arrested in Arkansas on a charge of killing Henry Gray, his brother-in-law, was called in Judge Lightfoot's court this afternoon at 3:30 o'clock, and the prisoner waived examination, and was remanded to jail without bail to await the action of the grand jury in September.

Hutchinson looks quite bad, and his broken arm causes him great pain. It is now only a short time until the grand jury is in session, and he will wait until then for a trial.

CAPT. STRONG DISAPPEARS.

LONDON DETECTIVE TRYING TO
LOCATE HIM AT HIS MOTHER'S REQUEST.

London, July 31—The family of Captain Putnam Bradlee Strong are trying to get in touch with him, but so far have been unsuccessful. His mother, it is said, is afraid that he will shoot himself or do something foolish. A man from Detective Littlechild's, who is acting for the Pinkerton's, is in quest of information as to Strong's whereabouts. He said he knew a provisional warrant was held in Bow street police court, but he expressed the opinion that May Yohe was disappointed at losing Strong, and was "trying to be nasty," and that she was also looking for a good advertisement. The only anxiety of Detective Littlechild is to find Strong and bring him in touch with his family, and keep an eye on him and prevent any foolishness.

DEADLY PRANKS.

POLICE ON THE LOOKOUT FOR
BOYS WITH FLOBERTS.

The residents of West Broadway have been complaining of boys shooting their poultry with flobert rifles and air guns and the police are this afternoon looking for the boys.

Marshal Crow ordered all boys seen shooting such weapons on the streets or in yards arrested and the guns taken away and for a short time they ceased the use of the guns, but it seems have returned to their old tricks. Many chickens have been killed during the past several days and the boys after securing the fowls barbecue them and have a feast. Officer Tom Evitts is this afternoon on the lookout for the offenders.

ASPHALT FOR STREETS

MEMPHIS TO ADVERTISE FOR
BIDS FROM PAVING CON-
TRACTORS.

Memphis, Tenn., July 31—The fire and police commissioners have instructed the city engineer to prepare advertisements for bidders for the paving of a number of streets with asphalt. In order to meet payments for the new paving the commission anticipated the public improvement revenue of the city for three years, securing from the Memphis Trust Co. in addition, \$325,000. The city has in sight from voluntary contributions from citizens a substantial sum, and the paving will be put down in the order of assistance from the various streets. The money from the trust company was secured at 5 per cent.

CHINA TO PAY IN GOLD.

EFFORT TO ARRANGE A COM-
PROMISE SAID TO HAVE
BEEN ABANDONED.

London, July 31—A dispatch to the Times, from Shanghai says that the bankers' commission has received information that Great Britain and the United States have abandoned their attempts to induce the other powers to consent temporarily or permanently to accept the payment of the Boxer indemnity on a silver instead of a gold basis.

The dispatch confirms the statement that Chang Chi Tung, viceroy of Wu Chang, has been appointed imperial high commissioner of trade. This post has been vacant since the death of Li Hung Chang. The appointment of Chang Chi Tung is regarded as a good augury for reform and for the progressive commercial policy.
